

The Bee's Knees: Building Buzzing Gardens Challenge Terms & Conditions

<p>Personal Information & Privacy</p>	<p>When participating in The Bee's Knees Challenge, "personal information" refers to any photographic images, videos, or sound recordings where an individual can be identified, or their identity is reasonably discernible from the content.</p> <p>STEM Hub is dedicated to safeguarding personal information in compliance with the Privacy Act 1988 (Cth) (Privacy Act) and the Australian Privacy Principles. For more details, please refer to the STEM Hub Privacy Policy available on our website.</p>
<p>How to Enter</p>	<ul style="list-style-type: none"> • Review the Terms & Conditions before proceeding with payment. • Pay the registration fee to gain access to all Challenge documentation including the submission link. • Download Challenge materials after payment and follow the instructions. • Create a video between 3 to 5 minutes long. • Submit entries using the Challenge submission link to upload the video and submit team names. • Ensure all entries are submitted by Friday, 15 November 2024, 5PM (AWST). Late submissions will not be accepted.
<p>School Registration Fee</p>	<p>The registration fee is \$220 (incl. GST). Schools can enter multiple teams. This fee provides a complete package to support teachers and students throughout the challenge, including:</p> <ul style="list-style-type: none"> • 1_Challenge Workbook: A detailed, curriculum-aligned workbook that guides teachers and students through each activity in the challenge, ensuring they can easily create and submit their final video presentation. • 2_The Science of Bees Guide: An easy-to-understand guide covering bee diversity, the physics of colours, and the chemistry of flower scents, tailored for grades 4 to 6. • 3_Teacher Resource Curriculum Alignment: A list of how the challenge corresponds with specific Australian Curriculum codes, facilitating easy integration into classroom learning. • 4_Challenge Checklist: A checklist designed to guide teams through every step of the challenge, ensuring that projects meet all the key requirements and showcase understanding of bee habitats. • 5_Challenge Judging Rubric: An easy to follow rubric tailored to assess the main components of the Challenge, ensuring that the students' understanding of bees, creativity, teamwork, and communication are evaluated fairly.

	<ul style="list-style-type: none"> • 6_Fun Activity Sheets: Printable, game-style resources designed to make learning fun and interactive for students as they explore the challenge. • Dedicated Support: Email support for any questions or issues during the challenge, ensuring a smooth experience.
Student Team Sizes	Teams must consist of 2 to 4 students. Entries from teams exceeding this number will not be accepted.
Judging	An expert panel at STEM Hub will evaluate all entries using a judging rubric. Judging results will not be shared with students or schools. The decisions of the judging panel are final.
Announcement and Use of Winning Entries	<p>Winners will be publicly announced on the STEM Hub website on Wednesday, 4 December 2024, and winning teachers will receive notification via email. STEM Hub reserves the right to disclose the first names of all winning students and the names of their respective schools on the STEM Hub website and across social media platforms.</p> <p>STEM Hub reserves the right to use video footage or still images (digital assets) from the winning entries on its website and social media channels, as well as to distribute these digital assets to local media outlets.</p>
<p>STEM Hub reserves the right to alter the terms and conditions of The Bee's Knees: Building Buzzing Gardens Challenge if required. For any enquiries regarding the Terms and Conditions, please contact the STEM Hub Team via email at info@stemhub.com.au</p>
